ORLANDO DRIVE: A VISION FOR THE CORRIDOR

May 2nd, 2007
6:00pm
Municipal Building Community Room

In 2006, the Borough of Raritan was awarded a grant by the Municipal Land Use Center at The College of New Jersey and Somerset County to develop a vision for the Orlando Drive corridor along the Raritan River. The Borough wants to hear **your** thoughts about Orlando Drive and how it can be enhanced for residents, business owners, and visitors alike.

Please join us on **May 2nd at 6:00pm** in the community room of the municipal building for a discussion about the future of Orlando Drive.

At the workshop we will discuss:

- The current state of Orlando Drive - What do you like and dislike about it?
- Design options for a new look and feel for Orlando Drive
- Identifying Orlando Drive and Route 206 as a gateway to Raritan Borough
- Tapping into the Raritan River as a community and regional resource

We hope you can attend this first discussion for what will be an exciting process to develop the Orlando Drive corridor into a place that attracts residents of and visitors to Raritan Borough for years to come.

Light refreshments will be served.
