**May We Suggest
MapQuest?**

The most up-to-date method for finding directions is via MapQuest, at <http://www.mapquest.com>.

From The North

Connect to Route 287 South and use exit 17 to Route 202-206. Shortly in your drive you will take the divider right to Route 206 south. The Somerville Traffic Circle is immediately ahead. Three-quarters around the circle exit the circle onto "Route 206 - Princeton". Travel to the second traffic light and make a right onto Somerset Street. Go two blocks past the first overhead traffic light on Somerset Street and make a right turn onto Wall Street. Go one block and the Municipal Building is straight ahead at the intersection of Wall Street and First Street.

From The South

Connect to Route 206 North, and just before the Raritan Mall take the Orlando Drive jughandle on the right to go through Route 206 and onto Orlando Drive. Continue traveling on Orlando Drive and make a right turn onto Thompson Street. Go two blocks and make a left turn at the first traffic light at Somerset Street. Go two blocks and make a right at Wall Street. Go one block, and the Municipal Building is straight ahead at the intersection of Wall Street and First Street.

From The East

Connect to Route 22 West or connect to Route 287 North and use exit 14B to Route 22 West. Take the exit off of Route 22 entitled "Route 202-206 South, Flemington - Princeton". Shortly in your drive you will take the divider right to Route 206 south. The Somerville Traffic Circle is immediately ahead. Three-quarters around the circle exit the circle onto "Route 206 - Princeton". Travel to the second traffic light and make a right turn onto Somerset Street. Go two blocks past the first overhead traffic light on Somerset Street and make a right onto Wall Street. Go one block and the Municipal Building is straight ahead at the intersection of Wall Street and First Street.

BOROUGH OF RARITAN, NJ

"A friendly town of friendly people"

From The West Connect to Route 202 North. Look for Ortho Diagnostics on the right. After passing Ortho, exit onto the jughandle at the sign "First Avenue, Raritan". Make a right at the intersection and you are on First Avenue. Continue several blocks and one block after the first overhead traffic light make a left turn onto Second Street. Go one block and make a right turn onto Church Street. The Municipal Building is a brown brick building and the second building on your left,

– OR –

Connect to Route 22 East and exit at "Route 28 East, Somerville". Make a right turn onto First Avenue and cross over the Route 202 traffic light. Still on First Avenue, continue several blocks and one block after the next overhead traffic light make a left turn onto Second Street. Go one block and make a right turn onto Church Street. The Municipal Building is a brown brick building and the second building on your left.
