Dear Mr. Gara,

This letter will CERTIFY that the Architect named above is duly licensed to practice architecture in the State of New Jersey. Due to unavoidable delays in the delivery of his/her Professional Seal, Kenneth E. Crabiel is unable to seal complete plans as required for review and filing purposes.

It would be appreciated if you will accept these plans for review with the understanding that the Architect will return to impress his seal on the plans or provide you with a duplicate set appropriately signed and sealed as you may direct. This act of cooperation will help avoid delays in the construction program.

Thank you for your assistance.

Very truly yours,
New Jersey State Board of Architects

Charles F. Kirk
Acting Executive Director
